

Livermore Valley Education Foundation

Dear Fundraising Coordinator,

With the State in our current budget crisis, our schools need support now more than ever! American Swim Academy is hosting the 2009 Walk for Education on September 26, 2009 with all of the proceeds benefiting the Livermore Valley Education Foundation (LVEF). Although, donating to the LVEF is great for the district as a whole, we want a way to be able to give directly to the individual schools as well.

The more people who attend the Walk for Education, the more successful it will be. So, in order to create a win/win situation, our idea is to have a contest to see which Livermore Valley school can get the most students to participate, with the winning school taking home \$500! In addition to your students, family members will count toward your school as well. If a family has five members participating in the event, they all count towards your school!

Registration is simple!

Go to www.americanswimacademy.com/walk and download a registration form. Fill out the form including the names and t-shirt sizes of all family members who will be participating in the walk. Mail in the form along with payment to the address listed on the form.

Small price to pay...

For a \$2 registration fee per person, each participant will receive a T-Shirt, lunch, participation in the walk, admission to the Family Fun Festival and a point towards your school earning \$500!

And the winner is...

The top three schools who have the most participants will win.

1st Place: \$500, 2nd Place: \$250, 3rd Place: \$100. Winners will be announced at the event. This is an easy way to do something good for the Livermore Valley Education Foundation, at the same time earning money for your school.

Please feel free to contact me if you have any questions about the event.

Thank you in advance to helping to helping to make a brighter future for our children!

Sincerely,

Rochelle Pepmeier
